## .. Stoertz Lunch

25X1

JJH had lunch with Stoertz today on the Patio. The main topic of discussion was the Cuban situation. Stoertz did mention that for there was to be the special readout provisions by I	] 25X1
That is, the mission is being diverted being readout under the supervision of under very secure arrangements.	25X1 25X1
Following the meeting, Stoertz called to alert JJH to the fact that the radio this noon was talking about the Soviet nuclear base at Cienfue	gos.
AEM called to alert them to the special provisions for the IAS readout	25X1
